

## PRIVACY POLICY:

Balance Business LLP does not transfer information to non-affiliated third parties. The company requests the following information from the client at registration as: name, surname, patronymic (if used), mobile phone number, e-mail address. These data are necessary for registration and the correct provision of services. The company does not request personal documents, does not collect any other information. In exceptional cases, the company may request additional data from the payer to verify that there are no attempts to use third-party bank cards. In this case, the request will be sent to the Recipient's email address specified by him at registration. After registering a personal cabinet on the Provider's website, the Recipient transmits the exclusive right to Balance Business LLP and its current partners to process this information, make calls via available means of communication, to write or e-mail, to inform the company's products and products and services of the company's partners before as long as the Recipient does not notify the Provider in writing about the revocation of the transferred right to process the Recipient's personal data via the e-mail indicated on the website [www.tradeexpert24.com](http://www.tradeexpert24.com).

The Provider is not responsible for the content of external sites and any information about the company and the service that is published on sites that do not belong to the company as domain owners.

The provider requires the Recipient to be obliged to carefully read this policy, as well as all other internal documents of the company that regulate the relationship between the Recipient and the Provider.
