

CASH REFUND POLICY:

The Provider has the right, at its discretion, to return the funds to the sender, if within a month after the receipt of the subscription by the Recipient, no signal has been received. In this case, the Provider, for its part, must acknowledge the fact that there are no signals being sent within 31 (thirty one) calendar days to the Recipient or provide evidence that the Service to the Beneficiary has been rendered in full within the framework of this offer. The Recipient undertakes not to submit to the bank or to the credit/debit card provider, an application for withdrawing already credited payment, both during and after the use of the Provider's services. In the event that such a withdrawal is received, the Provider reserves the right to block the entry to the Recipient's Personal Cabinet until the full resolution of the situation. The provider will take all necessary measures to prevent and block both enrollment and withdrawal of funds from the Recipient's account.
